### ABOUT THE SPACE

Located at the heart of the hotel, our Palace Suite offers all of the event planning luxuries to ensure that it lives up to its name. Able to split into two, with one side able to then split into two again, the space provides multiple areas for hosting break-out sessions, registrations and even drinks receptions, while the adjacent Library and Arden Suite can be used as VIP areas. Better still, there's even an option to link through to our Kings Suite, providing additional networking zones during your event.

Nearby, the smaller Kent Suite can be transformed to create your very own organisers office, while cloakroom and washroom facilities are available directly opposite the main entrance into the Suite. The space is also fully licensed until 2.00am, and includes built-in cable troughs to hide wiring requirements.
